Return to Work With Confidence

As more and more employers are seeing their workforce return on-site, one question arises on the safety and well-being of their employees. Companies large and small are looking for a fast and efficient way to implement a secure vaccination status verification process with minimal employee effort.

1. Employees will be directed to a secure online co-branded web portal to upload proof of vaccination via a computer, tablet or smartphone.

2. Employees upload required proof of verification:

- CDC Proof of Vaccination
- State Issued Proof of Vaccination
- Physician Exemption Letter
- Vaccination Exemption Form

3. Consova monitors, verifies and stores all participants verification information and provides reporting on status.
